1-09-04-B-01

Photograph showing paired footprints carved on a rock found at Ci-Arutön (Java).
Rock inscription in "Shell character," discovered at Ci-Arutön (Java) and attributed
to the fourth-fifth century A.D. (published by Jayaswal in 1935).

It may be considered as written in the early Grantha lithic style.

David Diringer's *The Alphabet*, (New York Philosophical Library, 1948) p. 383, Fig. 174-3.

1-09-04-B-02

Newspaper photograph showing an urn decorated with the plantar pictogram made by prehistoric Hohokam tribe. Objects date from 1100 A.D. Not so very ancient!

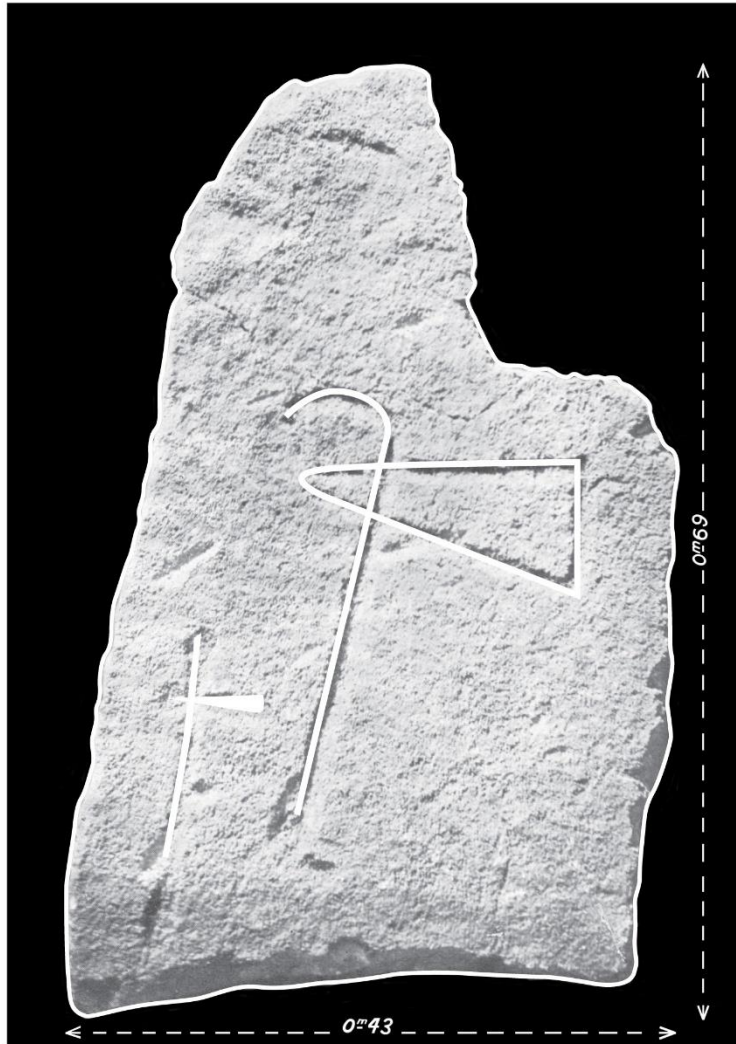

1-09-04-B-03

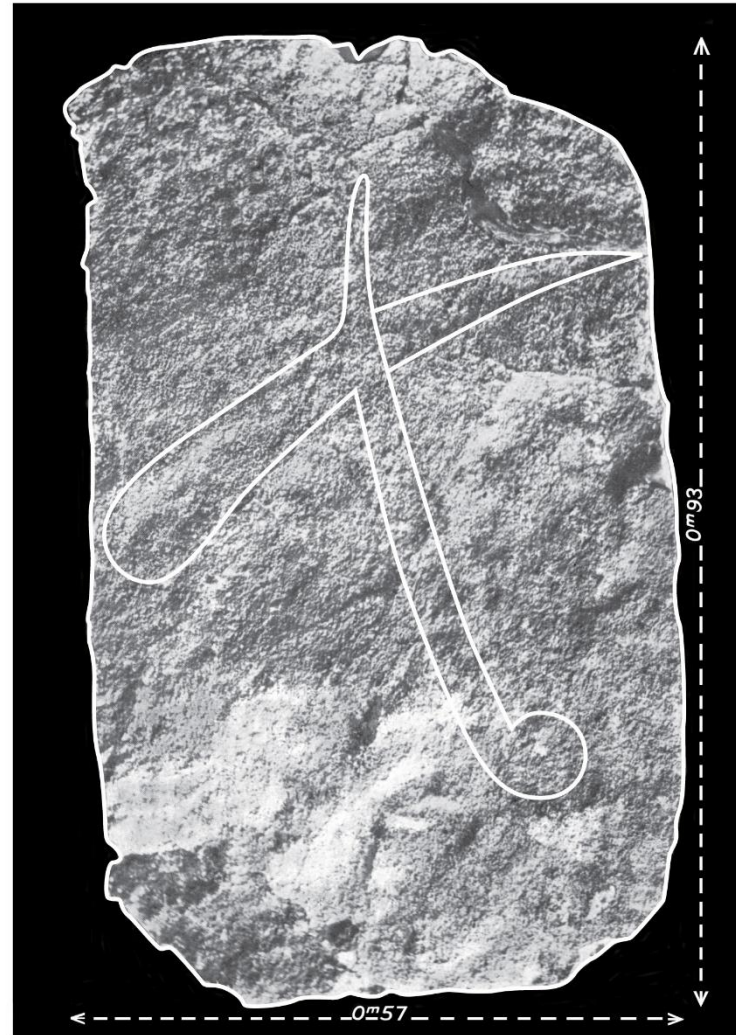

Wood carvings above a Haida grave. Photograph from Ralph B. Raphael, *The Book of American Indians* (Greenwich, CT: Fawcett Publications, Inc., 1953).
